Summary

Enthusiastic collaborator seeks to leverage deep experience with group projects to strengthen your enterprise. A lightning-fast learner, I look forward to applying my solid coding foundation to help your development team succeed. My high-quality writing and communications skills translate to high-quality debugging and responsive coordination between team members, management, and external stakeholders.

Technical Skills

Front End	Back End	Database
AngularJS | JavaScript | jQuery	Express | Node.js	PostgreSQL | MongoDB | SQL
AJAX | HTML5 | CSS3	Ruby | Rails	ActiveRecord | Mongoose

Testing	Other
RSpec | Jasmine	Git/GitHub | Photoshop
